Hello there,

The term seems to be flying by and now the first term holidays are approaching. There's still lots happening. Please see the events calendar below.

It has been great to see a number of projects from the PTA coming online at the school. (You may recall the last newsletter had our new High Jump Mats) This week there has been the arrival of gardening tools for ECH and the sourcing of an electric roll down screen for the assembly area. We thank the PTA for their wonderful ongoing contribution to ISN.

Coming Up

Date	Event	Details

Found

A mobile phone has been handed into the office. Please see Mr Don if you have lost yours.

Welcome

This week we have welcomed Ms Jing who is our new Chinese and ESL teacher.

Congratulations

We send our best wishes and congratulations to Ms Bhavna and her family for the safe arrival of a boy, born this week.

World Harmony Day

In recognition of World Harmony Day our senior students are organising a mufti day where students are strongly encouraged to wear something orange. It will be held on Friday the 24th of March, with a gold coin donation for all students in mufti. They will also be selling orange ribbons which allow students to show their support for World Harmony Day.

Measles

You may have heard that we have Measles in our school community. The school would like to clarify that no student at ISN has had a medically confirmed diagnosis of Measles.

As a precaution however, the school has;

- Cleaned a number of class surfaces and surrounding areas with concentrated antiseptic.
- Reminded our class teachers about how to recognise measles and the importance of reporting anything medical that concerns them.

We would ask that you monitor your child over the next week or so for the following symptoms.

- Fever.
- Dry cough.
- Runny nose.
- Sore throat.
- Inflamed eyes.

If your child shows any of these symptoms in the next few days, please seek medical help immediately and inform the school of the outcome. Oh and don't forget to keep checking for Headlice!

Cookies!

Dear Teachers, Students and Parents,

My name is Caray Viegas. I am studying in year 11 at ISN. If you, your child or student has passed through year 11, you may be aware that as part of the curriculum every student in year 11 is required to complete a personal project, in order to pass MYP. For my personal project, I have decided to create a business plan for a dessert shop and bakery here in Nadi. But to do this, I need your help.

I have to test my formulas and evaluate whether my business will be successful. I have decided to do this by selling one of my products at school to find out how much I will be able to earn and whether my formulas are reliable or not. I will be selling Chocolate Chip Oreo Cookies in school on Friday the 31st of March. If you would like some cookies, place an order with your pastoral teacher. All orders AND money must be given latest by Friday 24th of March to your pastoral teachers. I have already given away samples to some students. Majority of them agreed that they were delicious and were willing to pay \$2.00 for one cookie. But why so much for a cookie? I use the finest ingredients which also include dark Nestle chocolate chips imported from Australia. When you take a bite into the golden rich cookie, you find an Oreo that melts in your mouth right in the middle of the biscuit!

If you have already done a personal project, you would know how stressful it can be and how much of effort needs to be put into it. I need as many orders as I can get to prove that my business plan is successful.

I look forward to your orders that will help make my project successful

Thanks Caray

PLANS: 1 cookie- \$2.00 2 cookies -\$4.00 3 cookies -\$5.00 6 cookies- \$10.00 10 cookies-\$17.00
