IB MYP/DP Physics and/or Mathematics Teacher

International School Nadi is seeking to appoint a committed, experienced and passionate secondary Physics and/or Maths teacher to commence in August 2024. The successful candidate will be required to teach either DP Physics or Mathematics and MYP Mathematics or Integrated Sciences to students with a diverse range of interests and abilities. They will be responsible for planning and delivering an engaging inquiry-based curriculum, assessing student progress using a variety of methods and tailoring instruction to meet individual needs. The successful candidate will collaborate with their colleagues to establish interdisciplinary connections between subjects to provide a holistic learning experience for students. In addition, they will contribute to extracurricular activities and excursions to enhance the overall student experience and support a well-rounded education.

About the School

Established in 1992, International School Nadi is an independent, coeducational, non-profit school for students aged 3-18 years. As an International Baccalaureate (IB) Continuum School, our accredited IB Primary Years, Middle Years and Diploma programmes aim to develop our students into resilient, empathetic and inquisitive individuals who think critically and creatively, with the courage and conviction to take positive action locally and globally. Our diverse community of almost 250 students and 37 teaching staff represents 25 different nationalities. As an open admissions school, we pride ourselves on creating a nurturing, balanced and inclusive learning environment where each student is empowered to reach their full potential. Our teachers work with classes ranging from 8-24 students in a supportive and collaborative environment where staff wellbeing, autonomy and professional growth are valued.

The school campus is located in Nadi, the tourism hub of the Fiji Islands. Although a small community, Nadi provides a range of opportunities for short island vacations along with activities like hiking, water sports and zip lining.

Essential Qualifications & Experience

- Bachelor's degree in Education or a Bachelor's degree in Physics and/or Mathematics with postgraduate studies in Education.
- At least three years of experience teaching IB MYP and/or DP Physics and/or Mathematics.

Desirable Qualifications & Experience

- Educated to the Master's Level.
- Completion of Category 2 or higher IB Professional Development workshops in Mathematics and/or Science.
- Experience teaching both the IB Middle Years and Diploma Years programme.
- Ability to teach both DP Physics and MYP Mathematics or Integrated Science.
- Experience as an MYP Personal Project and/or DP Extended Essay supervisor.
- Working knowledge of Managebac, Google Suite and Canva.
- Experience as an IB examiner, workshop leader, or in another role within the IB Educator Network (IBEN).

Required Personal Skills & Values

- A strong understanding of and commitment to the philosophy and values of the IB organisation.
- Deep understanding of and passion for the subject area being taught.
- Proficiency in planning, delivering, and reflecting on an engaging inquiry-based curriculum that fosters student motivation and agency.
- Skilled in integrating technology tools to enhance teaching and learning experiences.
- Embraces student diversity and possesses the skills to differentiate instruction to address the individual needs of learners.
- Demonstrates a kind and supportive approach towards students, creating a positive, inclusive and nurturing learning environment.
- Willingness to collaborate and work effectively as part of a team, fostering a sense of community and shared responsibility in the educational setting.
- Inspires a strong sense of trust and confidence among students, parents and colleagues through consistent support, encouragement, and reliability.
- Ability to adapt to changing circumstances and navigate uncertainty with flexibility, resilience and a sense of humour.
- Exceptional organisational skills and the ability to manage multiple priorities effectively.
- A commitment to upholding ethical standards and promoting integrity within the school community.
- A lifelong love of learning and enthusiasm for ongoing personal and professional growth.
- Willingness to actively and enthusiastically contribute to wider school life through involvement in extracurricular activities, excursions and school-wide events.

Compensation & Benefits

The successful candidate will receive:

- A fortnightly salary reflecting their qualifications and experience.
- Discounted school tuition for dependents.
- Internationally recruited candidates will also receive a settling-in allowance, basic health insurance, annual return flights to home country and a monthly housing allowance.

ISN staff also benefit from a healthy professional development budget that aims to build IB expertise, reflective teaching practice and leadership skills. Staff are involved in offsite, onsite, and online workshops and conferences.

How to Apply

Interested candidates should send a cover letter and a CV to elenoak@isn.school.fj. Contact details of a minimum of three professional referees should be provided; these should include direct supervisors or persons in senior positions of responsibility who can validate the applicant's teaching skills and experience.

Applications close on Monday 29th April 2024. Due to the expected volume of applications, we will only contact those applicants that are shortlisted for an interview. The school reserves the right to close the application process before the deadline if a suitable candidate is identified.

ISN is committed to safeguarding and promoting the welfare of our students and expects all applicants to share this commitment. We follow safe recruitment practices and all appointments are subject to interview, satisfactory references and police background checks. The successful candidate will be required to follow the school's child protection and welfare policies. Teaching staff must also be registered with the Fiji Teachers Registration Authority upon commencement of employment.
