Purpose

The purpose of this policy is to provide a detailed explanation of our fee system including our invoicing schedule and refund policy. It applies to all students who are enrolled at ISN. All fees are per student unless noted otherwise and are subject to change. If for any reason, there is difficulty in paying fees we highly recommend that you contact the school Principal immediately. Wherever possible a payment plan will be considered and put into place. By delaying payment, you will be subject to interest charges and late fees and by not communicating with ISN, the student will lose their place at the school.

ISN Fees

International School Nadi is proud to be operating as a non-profit organisation. All funds received are used to cover school operating expenses. Examples of school expenses include, but are not limited to:

- Full tuition during normal school hours of face-to-face or online learning timetable.
- All basic stationery, textbooks, workbooks, online subscriptions, music, sporting equipment, library resources, arts and science consumables, and other shared learning material.
- [Note: textbooks are to be returned in a good condition at the end of the term/year or when unenrolling. If damaged books are returned, the security deposit will be used to cover the costs of replacing the damaged item.]
- IB affiliation fee, utilities, security services, maintenance, assessment fees, software subscriptions (e.g., Managebac, JSTOR, MAP Growth, Turnitin, anti-virus software), IT equipment, WiFi, air conditioning, refrigeration, property maintenance and repair, insurance for property and staff, staff training and professional development, sanitisation supplies, staff salaries, and recruitment expenses.

The student's ISN fee invoice may include the following items:

Enrollment Fee: The enrollment fee is a one-time non-refundable charge to cover all administration and capital fees to register a student with ISN and the relevant authorities. No credit terms are offered with this fee and a student cannot start tuition until this is fully paid.

Re-enrollment Fee: This processing fee is to be paid when a student enrolls and then leaves the school only to return again within the next 5 years. An enrolment fee will not be charged in this case, but this re-enrollment fee will cover the costs of the additional administration requirements to re-enrol the student. If a student is re-enrolled after 5 years, the full enrolment fee will apply.

Re-enrollment fee: \$500.00

Security Deposit: A refundable security deposit will need to be paid for each student. This will be included in the first invoice upon enrolment. This security deposit will be used to cover the costs of unreturned library books, resources as well as outstanding fees. This amount will be refunded to families upon withdrawal or graduation from ISN once the books and resources are returned and once all fees are paid in full. This fee is subject to the refund clause on page 6. No credit terms are offered with this fee and a student cannot start tuition until this is fully paid.

Security Deposit Amount: \$250.00

Tuition Fee: Starting in 2025, ISN will change its fee structure from multiple individual fees to a single, comprehensive fee. The comprehensive fee includes tuition fees, resource levy, homeroom camps, curriculum excursions, swimming lessons, map growth tests and yearbook.

For all new students an invoice for tuition shall be issued after enrolment acceptance and payable at least one week prior to starting school. For students already enrolled and receiving tuition at the school the invoice for the following term shall be issued on Week 7 of the preceding term; for example, the Term 2 invoice will be issued on Week 7 of Term 1. The school may also issue invoices on an ad-hoc basis for other items such as, but not limited to: external exam fees, sports uniforms, extracurricular activities, non-domestic or special school trips, etc. Fees differ according to year level and are indicated on the school fees schedule.

Payment Plan: In the event of a Payment Plan being approved, an agreement will be signed between International School Nadi and the paying party. In the event of the paying party defaulting from a payment plan schedule for a second time, a 5% penalty will be charged again on the fee balance and the student will not be permitted to attend lessons and access to online platforms will be suspended until such time as the outstanding fees have been paid in full.

ISN Fee Conditions

Payment Plan Requests: Tuition fees should be paid per term, however in certain circumstances, payment plans may be approved by the Principal upon application. Caregivers are encouraged to request payment plans if the family is under financial hardship. All requests for payment plans will be evaluated individually on a case-by-case basis. A list of requirements will be forwarded to caregivers at the time of application being made. Payment plans are made in advance, weekly, fortnightly or monthly. Due to the increase in administration resources, any payment plan will be subject to a 15% Late Payment Penalty fee. Payment Plan arrangements must be made in advance, between weeks 9 - 10 of the preceding term. If no payment plan is requested and fees are not paid by the 1st day of the term, a Late Payment Penalty fee of 15% will apply and the student will not be permitted to attend lessons and access to online platforms will be suspended until such time as the arrangements have been made.

Unpaid Fee Penalty:

If no payment plan is requested and fees are not paid by the 1st day of the term, a Late Payment Penalty fee of 15% will apply. In the event of school fees not being paid in full by the 1st day of term, or not having an approved Payment Plan, caregivers will be contacted via email by the business office Bursar. The Bursar will remind caregivers that because their school fees are not yet paid their students will not be permitted to attend lessons on the first day of term. If the student does arrive at school they will be invited to wait in the administration office until either a caregiver collects them or outstanding fee payments are made in full.

Notice for withdrawing enrolment:

In the event of a student departing ISN and no longer being an enrolled student, caregivers are required to provide a minimum of one full month's notice. The notice must be provided in writing to the student's Homeroom teacher as well as the ISN Administrative Assistant by no later than the first day of term. Verbal notice will not be accepted. Once notice has been received the student resources will not be ordered for the following term. A request to reverse the decision may be lodged; however, admission cannot be guaranteed and there may be additional costs. Consecutive notices will not be accepted.

Refunds:

Tuition fees are paid in full in advance. In the event of families departing the school before the end of Week 5, the remaining 5 weeks of tuition fees will be refunded provided the exit form is completed one month in advance and school resources are returned. The other fees will not be refunded. If families depart school after week 5, the remaining weeks (in the term) fees will be refunded provided the exit form is completed one month in advance and school resources are returned.

Refer-a-Friend Programme:

Many caregivers refer their friends' children to ISN and we would like to further show our appreciation for this support of our school. Referrals of new families help ISN strengthen its diversity and further expand its learning community. For each successful referral from an existing ISN family, ISN will reward the individual referrer with a \$100 credit per referred student enrolled against the following academic year's tuition fees for his/her children. In addition, under this scheme, we will reward your friends who join us with a \$100 credit for use on their first tuition fee billing for each student admitted. Please take full advantage of this family referral programme and encourage your friends, colleagues, and business associates to join the ISN learning community.

Refunds

Security deposits may be refundable. No other fee or charge is subject to a refund. Eligible refunds of the security deposit shall be made within 30 days after the student departs from ISN. Any bank charges relating to the refund shall be deducted from the refund.

Security deposit refunds apply the following conditions:

100% of the security deposit is refundable under the following circumstances:

- When one calendar month's notice has been given and the student has attended 1 full school year of tuition.

50% of the security deposit is refundable under the following circumstances:

- When one calendar month has been given and when a student has attended one full term of tuition but less than one full year.

0% of the security deposit is refundable under the following circumstances:

- In the event of there being outstanding fee payment, the security deposit will offset the outstanding debt.
- In the event of school property being lost or damaged purposefully by a student, the security deposit will be used to cover the costs of replacing the missing or damaged item (e.g., textbooks, teaching equipment, IT equipment, etc.).
- When less than one calendar month's notice has been given prior to withdrawal.

Waitlist

In the event that a year group reaches its capacity, any applications submitted thereafter will be placed on a waitlist in line with the Admissions Policy. When a vacancy arises at the appropriate grade level, the available spot will be offered to the next child on the waiting list.

Upon approval of an application, the family will receive an invoice. They will have 5 working days to pay both the enrollment fee and the school fee required to secure the open space. If payment is not received in full within this timeframe, the school will offer the spot to the next student on the waitlist.
